Subject Index for Volume 25

Note: Page numbers preceded by S refer to the November/December supplement.

A

Adhesive tape, versus combination dressings, in children, 256
Adult learning styles, tailoring presentations to, 168
Alemtuzumab, for B-cell neoplasms, 266
Antibodies, unconjugated, for B-cell neoplasms, 266
Antineoplastic agents, administration of, 83 (INS position paper)

B

B-cell neoplasms, unconjugated antibodies for, 266
Benchmarking data, in venous access device selection, 320
Biliary disease, parenteral nutrition in, 25
Bloodborne pathogen exposure. *See also* Infection control
  legal aspects of, S21
  management of, S5
  prevention of
    CDC guidelines for, S36
    infusion safety products for, S10
    workplace policies for, S15
Blood products, recombinant, 305
Blood transfusions. *See* Transfusions
Book review, 383
Brain injury, traumatic, infusion support in, 172
Burns, parenteral nutrition in, 45

C

Canada
  home parenteral therapy in, 372
  infusion program resource nurse consult service in, 310
Cancer
  B-cell tumors in, unconjugated antibodies for, 266
  hepatocellular, hepatic arterial infusion in, 127
  oncologic emergencies in, 182
Catheter(s)
  central venous
    infection of, 29
    peripherally inserted, quality improvement for, 250
  hepatic arterial, 127
  peripheral intravenous
    combination versus adhesive tape dressings for, in children, 256
    in infants and children, descriptive study of, 159
    performance predictors for, 189
  selection of, benchmarking data in, 320
Catheter dressings, combination versus adhesive tape, in children, 256
Catheter-related infections
  microbial etiology and pathogenesis of, 29
  prevention of, CDC guidelines for, S36
Centers for Disease Control and Prevention, guidelines for prevention of catheter-related infections, S36
Central venous catheters
  infection of, 29
  peripherally inserted, quality improvement for, 250
Chemotherapy
  hepatic arterial infusion in, 127
  hepatic arterial infusion of, 127
Children
  combination versus adhesive tape dressings for, 256
  peripheral intravenous catheters in, descriptive study of, 159
ChloraPrep, versus isopropyl alcohol and chlorhexidine, 244
Chronic transfusion therapy, immune complications in, 316
Combination dressings, versus adhesive tape, in children, 256
Continuing education test, 196, S31
CRNI Certification Examination, review questions for, 22, 87, 157, 242, 303, 345
CRNI/CLNI Recertification Examination, review questions for, 196

D

Dehydration, hyperosmolar hyperglycemic nonketotic, in parenteral nutrition, 36
Diabetic gastroparesis, treatment of, 105
Disseminated intravascular coagulation, in cancer, 182
Dopamine, renal dose, 365
Dressings, combination versus adhesive tape, in children, 256
Drug administration, teaching of, skills checklist in, 109

E

Editorials, 7, 79, 153, 215, 295, 343, S1
Education and training, for home infusion therapy, 176
Electrolyte disturbances, in parenteral nutrition, 36
End-line filters, for phlebitis prevention, 95
Evidence-based decision-making, personal digital assistant in, 274

F

Filters, end-line, for phlebitis prevention, 95
Fluid and electrolyte imbalances, in parenteral nutrition, 36
Formulas
  enteral nutrition, glutamine supplementation of, 65
  total parenteral nutrition
    composition of, 55
    glutamine supplementation of, 56

G

Gastroparesis, diabetic, treatment of, 105
Glucose metabolism, in parenteral nutrition, 36
Glutamine supplementation, 65

H

Head trauma, infusion support in, 172
Healthcare workers, infection control for
  infusion safety products for, S10
  management of exposures and, S5
  protective policies for, S15
Hepatic arterial catheters, 127
Hepatic disease, parenteral nutrition in, 25
Hepatitis, current therapy for, 379
Home care
  infusion therapy in, clinical and educational preparation for, 176
  parenteral nutrition in, 372
Hyperosmolar hyperglycemic nonketotic dehydration, in parenteral nutrition, 36

I

Immune complications, in chronic transfusion, 316
Infants
  combination versus adhesive tape dressings for, 256
  peripheral intravenous catheters in, descriptive study of, 159
Infection control
  CDC guidelines for, S36
  for healthcare workers
    infusion safety products for, S10
    management of exposures and, S5
    protective policies for, S15
  legal aspects of, S21
  personal digital assistant in, 274
Infusion medication administration, teaching of, skills checklist in, 109
Infusion Nurses Society
  2001 Financial Report, 228
  Chief Executive Officer's report, 230
  position papers, 20, 83
  President's address, 228
  State of the Society report, 223
Infusion phlebitis
  in pediatric peripheral intravenous catheterization, 159
  prevention of, end-line filters for, 95
Infusion program resource nurse consult service, 310
Institutional policies, for infection control, S15
Isopropyl alcohol, versus ChloraPrep, 244

J

Journal articles, writing of, 134

K

Kidney disease, parenteral nutrition in, 25

L

Learning styles, tailoring presentations to, 168
Legal issues, in infusion practice, S21
Liver disease, parenteral nutrition in, 25
Lymphoma, B-cell, unconjugated antibodies for, 266

M

Malpractice, in infusion practice, S21
Medication administration, teaching of, skills checklist in, 109
Metabolic complications, of parenteral nutrition, 36
Metastasis, hepatic, hepatic arterial infusion for, 127
Monoclonal antibodies, unconjugated, for B-cell neoplasms, 266
Multidisciplinary infusion team, 310

N

Needlesticks
  management of, S5
  prevention of
    infusion safety products for, S10
    institutional policies for, S15
Needlestick Safety and Prevention Act, S10
Neonates. *See* Infants
Neurological impairment, infusion support in, 172
New products and services, 70, 141, 201, 280, 327, 383
Nurses, home infusion therapy, clinical and educational characteristics of, 176
Nursing education, for home infusion therapy, 176

O

Oncologic emergencies, recognition and treatment of, 182

P

Pain, in reflex sympathetic dystrophy syndrome, 121
Pain management, infusion nurse's role in, 20 (INS position paper)
Parenteral nutrition
  in burns, 45
  in hepatic, biliary, and renal disease, 25
  in home care, 372
  metabolic complications of, 36
  nutrition assessment and formula composition for, 55
  in sepsis, 45
  in trauma, 45
Peripheral intravenous catheters
  combination versus adhesive tape dressings for, in children, 256
  placement of
    in infants and children, descriptive study of, 159
    performance predictors for, 189
Peripherally inserted central venous catheter, quality improvement for, 250
Personal digital assistant, in infection control, 274
Phlebitis
  in pediatric peripheral intravenous catheterization, 159
  prevention of, end-line filters for, 95
Postexposure prophylaxis, for bloodborne pathogen exposure, S5
Professional profiling, 357
Professional publications, writing for, 134
Program presentations, 168

Q

Quality improvement, for peripherally inserted central venous catheterization, 250

R

Recombinant blood products, 305
Reflex sympathetic dystrophy syndrome, 121
Renal disease, parenteral nutrition in, 25

Renal dose dopamine, 365
Resume preparation, 357
Rituximab, for B-cell neoplasms, 266

S

Seminar presentations, 168
Sepsis, parenteral nutrition in, 45
Septic shock, in cancer, 182
Sharp injuries
  management of, S5
  prevention of
    infusion safety products for, S10
    institutional policies for, S15
Skills checklist, for teaching of infusion medication administration, 109
Skin preparation, ChloraPrep versus isopropyl alcohol and chlorhexidine for, 244
Spinal cord compression, in cancer, 182
Standard precautions. *See* Infection control
Syndrome of inappropriate antidiuretic hormone, in cancer, 182

T

Teaching, of infusion medication administration, skills checklist in, 109
Team approach, in infusion program, 310
Total parenteral nutrition
  in burns, 45
  in hepatic, biliary, and renal disease, 25
  metabolic complications of, 36
  nutrition assessment and formula composition for, 55
  in sepsis, 45
  in trauma, 45
Training, for home infusion therapy, 176
Transfusions
  chronic, immune complications in, 316
  recombinant blood products for, 305
Transparent polyurethane film/soft cloth dressing, versus adhesive tape, for children, 256
Trauma, parenteral nutrition in, 45
Traumatic brain injury, infusion support in, 172
Tumor lysis syndrome, 182

U

Unconjugated antibodies, for B-cell neoplasms, 266

V

Vascular access devices, selection of, benchmarking data in, 320

W

Writing, for profession publications, 134

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION (Act of August 12, 1970; Section 3685; Title 39 United States Code) Date of Filing—October 1, 2002. Title of Publication—Journal of Infusion Nursing; Frequency of Issue—Bimonthly; Annual Subscription Price—$97.00; Location of Known Office of Publication—Lippincott Williams & Wilkins, Inc., 16522 Hunters Green Parkway, Hagerstown, MD 21740-2116; Location of the Headquarters or General Business Offices of the Publisher—Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Publisher—Lippincott Williams & Wilkins, Inc.,530 Walnut Street, Philadelphia, PA 19106; Editor—Mary Alexander, Infusion Nurses Society, 220 Norwood Park South, Norwood, MA 02062; Managing Editor—Karyn Crislip, Lippincott Williams & Wilkins, 530 Walnut Street, Philadelphia, PA 19106; Owner—Infusion Nurses Society, 220 Norwood Park South, Norwood, MA 02062; Known Bond Holders, Mortgagees, and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages, or other securities—None. A. Total no. of copies printed (net press run), average 8,700, actual 10,900. B. Paid and/or requested circulation 1. Paid/requested outside-county mail subscriptions stated on form 3541, average 7,170, actual 6,809; 2. Paid in-county subscriptions, none; 3. Sales through dealers and carriers, street vendors, counter sales, and other non-USPS paid distribution, average 397, actual 377; 4. Other classes mailed through the USPS, none. C. Total paid and/or requested circulation [sum of B (1), (2), (3), and (4)], average 7,567, actual 7,186. D. Free distribution by mail (samples, complimentary, and other free), 1. Outside-county as stated on form 3541, average 320, actual 344; 2. In-county as stated on form 3541, none; 3. Other classes mailed through the USPS, none. E. Free distribution outside the mail (carriers or other means), average 17, actual 61. F. Total free distribution (sum of D and E), average 337, actual 405. G. Total distribution (sum of C and F), average 7,904, actual 7,591. H. Copies not distributed, average 796, actual 3,309. I. Total (sum of G and H), average 8,700, actual 10,900. Percent paid and/or requested circulation, average 96%, actual 95%. I certify that the statements made by me above are correct and complete. *Jeffrey Brown, Manager, Periodicals Operations.*
